PANT 13

PURPOSE OF THE REPORT:

To obtain committee approval for a Public Path Diversion Order to divert a section of Pant 13.

1.0 INTRODUCTION AND BACKGROUND

- 1.1 On 17th December 2012 the route of Pant 13 was presented to committee for determination in order to divert a section of the route. The 2012 report is appended to this item and members are referred to the appendix for all relevant background details.
- 1.2 The section for diversion is shown on the attached plan, Pant 13.
- 1.3 A Diversion Order was subsequently made in 2013. This 2013 Diversion Order had a discrepancy between the plan and the description 2011 together with an incorrect direction. This meant that the plan and the description did not accord with each other and were misleading.
- 1.4 In order to overcome this issue a new order will need to be made.
- 1.5 The legal background is to be found at Agenda Item 5.

2.0 FINANCIAL IMPLICATION(S)

- 2.1 These are as set out in the appended report.

3.0 EQUALITY IMPACT ASSESSMENT

3.1 An Equality Impact Assessment has been prepared for the purpose of this report and no negative effects have been identified.

4.0 RECOMMENDATION(S) that

4.1 The 2013 Order be abandoned

4.2 Having abandoned the 2013 Order and

(a) Taking into consideration all the evidence which has been provided, that a Public Path Diversion Order be made to divert the bridleway.

(b) To approve the confirmation of the Public Path Diversion Order made as a result of (a) above provided no objections or representations are made within the prescribed period or if any objections are made within the prescribed period or if any objections or representations so made are withdrawn.

(c) If any objections or representations are made within the prescribed period and are not subsequently withdrawn then to refer the relevant order to the Planning Inspectorate for determination.
