**N.B. If the initial screening process has identified actual or potential high or medium negative impact on a particular group or groups then you MUST carry out a full EqlA.**

# Equality Impact Assessment Form

*You should use the information gathered at the screening stage to assist you in identifying possible negative/adverse impact, including positive impact, and clearly identify which protected groups are affected.*

In terms of any disproportionate / negative / adverse impact that the proposal may have on a protected group, what steps (if any) could be taken to reduce that impact for each group identified. Attach a separate action plan if necessary.

If ways of reducing the impact have been identified but are not possible, please explain why they are not possible.

Please highlight positive impacts and actions that have been identified as a result of the assessment process.

## Evidence Sources

(i) Give details of any data or research that has led to your reasoning above, in particular, the sources used for establishing the demographics of service users.

(ii) Give details of how you have engaged with service users on the proposals and steps to avoid any disproportionate impact on a protected group and how you have used any feedback to influence your decision.

Are you satisfied that the engagement process complies with the requirements of the Statutory Equality duties?

**Decision Log** – (detail how Elected Members and Senior Managers have been involved in the decision process (give dates of key meetings and decisions made))
