N.B. If the initial screening process has identified actual or potential high or medium negative impact on a particular group or groups then you MUST carry out a full EqlA.

Full Equality Impact Assessment

You should use the information gathered at the screening stage to assist you in identifying possible negative/adverse impact, including positive impact, and clearly identify which protected groups are affected.

In terms of any disproportionate / negative / adverse impact that the proposal may have on a protected group, what steps (if any) could be taken to reduce that impact for each group identified. Attach a separate action plan if necessary.

If ways of reducing the impact have been identified but are not possible, please explain why they are not possible.

Please highlight positive impacts and actions that have been identified as a result of the assessment process.
