Dear Sir,

Claimed Right of Way: ST 10339645
Point E to ST 09999635. Point A.

I wish to inform you of my objections to the proposed line of the footpath as indicated. I agree fully as to the original line mark A to E on plan 2 but I will not agree to the proposed line H to while there is any question of there being yet another line for a path from the Hallies to join path A to E at point E. One foot path in the area is sufficient.

Yours faithfully,

M. A. J. Jerrald (Mrs)
