

**Are you interested in getting involved with Holocaust Memorial Day 2018?  
Would you like support organising an activity in your area?**

Our free workshops offer guidance to those wanting to know more about marking Holocaust Memorial Day (HMD) and are aimed at new and existing activity organisers from schools, local authorities, voluntary/community groups, trade unions, prisons and many other organisations.

Attending a workshop will help you to gain a better understanding of HMD and how to create a meaningful activity for your audience. During the session you'll learn more about this year's theme, **The power of words** and the free resources we provide that will help you to mark HMD in your community. We'll discuss the practicalities of organising events, participate in interactive activities and networking sessions and share ideas with other people organising activities for HMD 2018.

Holocaust Memorial Day Trust is the charity that promotes and supports HMD across the UK.
