

STATEMENT OF WELLBEING AND FOCUS ON THE FUTURE: **WELLBEING IN OUR COMMUNITY**

Amendments to the Report Published

Since the printing of this report there are two small amendments. Both of these do not change the purpose or direction of the report.

- The first amendment is the addition of the final PSB objective in the visual on pages 81 and 95. This objective reads:

CROSSCUTTING OBJECTIVE: TACKLING LONELINESS & ISOLATION - We will work in new ways to channel the undoubted strengths of our communities, including volunteers to tackle more effectively the loneliness and isolation which often exists within many of them.

- The second amendment is the wording used to define the items in the table on page 103.

This should read:

- Waste depot redevelopment incorporating furniture reuse facility to combine the first two projects.
- Open Space Strategy, Merthyr Tydfil Recovery Plan and Maintenance of Parks and green spaces instead of merely 'Landscape'.
- Cyfarthfa High School lighting replacement, Cefn Cemetery extension, Cyfarthfa lake walls remedial works and Abercanaid School insulation instead of 'Capital Programme'.
- Green flag status for Thomastown Park instead of Green infrastructure plan.
