

MERTHYR TYDFIL COUNTY BOROUGH COUNCIL

NOTICE OF QUESTION

COMMITTEE	Full Council	DATE	27 June 2018
DATE RECEIVED	12 June 2018	SUBMITTED BY	Councillor C Barry

**Notice of Question to be addressed to Councillor K O'Neill:
The Merthyr / Abernant Tunnel**

In February of this year Councillor's O'Neill and Thomas travelled through the Merthyr / Abernant tunnel along with representatives of RCT County Borough Council, Welsh Government, Sustrans and Hammond. Members will be aware that this is one of the longest disused tunnels in Wales. Should the tunnel be reopened, it would have a substantial positive impact on tourism and further assist in improving our local economies.

Could we have assurances that this Council will continue to work positively with our colleagues in RCT in order to bring the project to reopen the tunnel to fruition?

Councillor C Barry
Councillor County Borough of Merthyr Tydfil
