Strategic priorities

Reduce unemployment and worklessness
Improve business growth and infrastructure
Better town centre and communities

Local outcomes- Regeneration

Over the next five years we will achieve the following local outcomes:

- Reduce economic inactivity
- Reduce the proportion of children living in workless households
- Grow the business sector with high levels of survival
- Increase employment levels
- Increase opportunities for apprentices
- Improve the connectivity of the transport infrastructure

Theme: Health and Wellbeing

Strategic priorities:

Building resilient communities
Strengthening families

Local outcomes- Health and wellbeing

Over the next five years we will achieve the following local outcomes:

- Improve health and wellbeing
 - Reduce the need for statutory interventions
 - Older people and those with particular housing needs can live independently through the provision of accessible homes and support services
 - Improve the resilience of families
 - Reduce homelessness
-

Theme: Lifelong Learning

Strategic priorities

Better achievements
Greater opportunities
Better prospects

Local outcomes- Lifelong learning

Over the next five years we will achieve the following local outcomes:

- Improve the educational outcomes for all children and young people, but particularly the lowest attaining and those in areas of deprivation
- Develop closer links between schools, the college and work-based learning providers to ensure our young people have access to a wider range of opportunities
- Ensure more people are in education, training and volunteering
- Improve the qualifications of learners to ensure they are work ready
- Increase the opportunities for people to develop skills for learning, life and work and improve their life chance
