

# MERTHYR TYDFIL COUNTY BOROUGH COUNCIL

## NOTICE OF MOTION

COMMITTEE	FULL COUNCIL	DATE	22 <sup>nd</sup> May 2019
DATE RECEIVED	01st May 2019	SUBMITTED BY	Cllr Brent Carter

Community Groups / Organisations provide so much for the residents of the County Borough of Merthyr Tydfil. They provide community facilities and much needed opportunities, without these a massive void would be in place.

These Groups are community supported and indeed in a lot of circumstances are only able to survive from funding that elected members allocate. We cannot let these groups / organisations suffer or potentially in a great deal of cases cease to exist, by not giving our support and financial assistance.

With the precarious state of funding from Ffos y Fran for 2019/20, I hereby move that this council agrees to make provisions and move the sum of £55,000 into a community chest from either the Large or Intermediate fund.

However, should such funding not be in place to re-allocate? Then I move that this Council finds the money from existing budgets to facilitate this motion. Councillors will then be able to continue to support community groups / organisations as we cannot wait for further information from Ffos y Fran, at this critical time.
