Hi Aneurin

Thank you for your reply please see below an amended application:

THE PREVENTION OF PUBLIC NUISANCE.

Conditions:

On Friday 20/12/19 Re_Evolution played excessive loud music from approximately 6 pm until 12 mid night.

On Saturday 21/12/19 from approximately 6 pm until 12 midnight the above played excessive music we could hear it on both nights in our living room affecting myself and my family they are licence conditions allow them to play music until 11:30 pm.

Noise Nuisance:

Saturday 11/01/20 excessive loud music from 7:30 to approximately 10:00.

Friday 17/01/20 excessive loud music from 6:30 pm to 11:30 pm.

Saturday 18/01/20 excessive loud music from 6:30 pm to 11:30 pm.

Saturday 25/01/20 from 6:30 to 11:30 excessive loud music.

Friday 31/01/20 from 6:30 excessive loud music for 1 hr.

Saturday 01/02/20 7pm to 8pm excessive loud music.

Saturday 08/02/20 from 6pm to approximately 8 pm intermit excessive loud music.

All of the above excessive loud music could be heard in our living room also any room within the house affecting myself and my family I would also like to point out that my partner works weekends and needs to be up for work 6 am in the mornings finding very difficult to go to bed early to sleep due to the excessive noise coming from the club.

I hope this meets one of the objectives so I can attend the review meeting in March.

Many thanks
