I wish to make representations in the review meeting in March in relation to the licence of the above. club. The property is surrounded by residential properties and I have received complaints that music has been played beyond the permitted hours. I also understand that that the management of this club have undermined the licensing objectives in very short space of time since the licence was granted. I have also spoken to the local PCSO about issues that have been brought to my attention about the way this club has been run.
