### Additional Topics for Review

<b>To be discussed</b>	<b>Hoover Master Plan</b>	Public awareness around the proposed development of the Hoover site is growing and people are keen to find out more about what is being discussed, what impact any development would have on the people living in the areas around the Hoover site as well as to find out what role the Council will play in this. This development is understood to align with the ongoing development of the Cardiff and the Regions City Deal Offer and the Committee would seek to explore key requirements; how the connections noted would
<b>To be discussed</b>	<b>Violent Crime: Sexual Violence</b>	The Committee has requested a report on this topic, which would include both local and national data on sexual violence. The report should outline the impact of sexual violence on citizens (i.e.) STIs; pregnancies; impact on mental health and offer basic detail on the support structure available for victims both at the time incidents occur and in the longer-term.
