

Merthyr Tydfil County Borough Council - Integrated Impact Assessment

(Includes Well-being of Future Generations, Protected Characteristics, Welsh Language, Socio-economic Disadvantage, Sustainability and Biodiversity, Consultation/Engagement and Data/Evidence)

Before completing this Integrated Impact Assessment (IIA), please refer to the corresponding **guidance document**, which provides essential background information.

An IIA MUST be completed for:

- Any Council / Cabinet report.
- Any strategic decisions being taken where due regard is required to reduce inequalities of outcome resulting from socio-economic disadvantage.
- Any project (i.e. something that has a start and end date and is different from day to day business).
- Where you are implementing significant change e.g. service provision.

This IIA helps to support the Council in making informed and effective decisions whilst ensuring compliance with a range of relevant legislation. This IIA must be completed at the start of any project or proposal.

1. Merthyr Tydfil Well-being Objectives

Does your proposal help to deliver any of the Council's Well-being Objectives?

How does your proposal help to deliver any or all of the Council's Well-being Objectives?

Well-being Objectives	Does your proposal have a positive or negative impact on the Council's Well-being Objectives? Please place an X in the relevant box.			Why have you come to this decision? Please provide an explanation.	What actions have been/will be taken to better contribute to positive impacts and/or mitigate any negative impacts? How will you know when this has been achieved?
	Positive	Negative	Neutral		
Best Start to Life - Children and young people get the best start to life and are equipped with the skills they need to be successful learners and confident individuals.	X			The projects key focus is on children and young people and to regenerate the heritage area into a place they can learn, visit and play.	A number of projects identified in the plan focus on engagement with children and young people and significant engagement was undertaken with schools and the Merthyr Tydfil College to inform the Plan's findings.
Working Life - People feel supported to develop the skills required to meet the needs of businesses with a developing, safe infrastructure making Merthyr Tydfil an attractive destination.	X			The key aim of the Masterplan is to increase employment through investments in prioritised local or regional infrastructure supporting a regional or urban economic strategy therefore the project impacts positively.	The overall aim of the Masterplan is to develop Merthyr Tydfil into an international visitor destination.
Environmental Well-being - Communities protect, enhance and promote our environment and countryside.	X			The project will target the development of key historic assets within the Cyfarthfa Heritage Area and the landscape. This will create an improved perception and the opportunity to protect, enhance and promote the environment.	A landscape strategy will be required to reconnect the fragmented and dispersed built heritage assets. This will have a positive impact on the landscape setting.
Living Well - People are empowered to live independently within their communities, where they feel safe and enjoy good physical and mental health.	X			The project will enhance the Cyfarthfa Heritage Area, improve connectivity to the Town. The project will aim to develop the landscape as a resource.	The masterplan will bring a sense of pride and confidence to the community and improve quality of lives for residents and businesses within Merthyr.

1. Merthyr Tydfil Well-being Objectives

Does your proposal help to deliver any of the Council's Well-being Objectives?

How does your proposal help to deliver any or all of the Council's Well-being Objectives?

Well-being Objectives	Does your proposal have a positive or negative impact on the Council's Well-being Objectives? Please place an X in the relevant box.	Why have you come to this decision? Please provide an explanation.	What actions have been/will be taken to better contribute to positive impacts and/or mitigate any negative impacts? How will you know when this has been achieved?

2. Sustainable Development Principles (The Five Ways of Working)

Does your proposal demonstrate you have met the sustainable development principles (five ways of working)?

The Well-being of Future Generations (Wales) Act 2015 requires the Council to consider how any proposals improve the social, economic, environmental and cultural well-being, whilst also looking to the future, planning for the long term and ensuring that we do not compromise the ability of future generations to meet their own needs. Please consider the national well-being goals when completing this section.

Five Ways of Working	How does your proposal demonstrate you have met the five ways of working when developing the proposal?	Are there any additional actions to be taken to better contribute to the five ways of working and/or mitigate any negative impacts? How will you know when this has been achieved?
Long Term - Thinking and planning for the long term, balancing short term and long term needs.	The project focuses on the long term sustainable regeneration of the Cyfarthfa Heritage Area. The targets achieved through the delivery of the scheme will have a long term impact increasing economic growth and positioning Merthyr as a national and inter-national visitor destination.	The masterplan will become the framework for future project development for long-term thinking, project development and delivery. Funding bodies will be engaged with following endorsement of the plan to achieve the ambitions of the plan.
Prevention - Preventing problems occurring or getting worse.	The project will prevent the further deterioration of the key heritage assets situated within the Cyfarthfa Heritage Area and will identify sustainable use for the Castle and other heritage buildings.	Survey work has already been undertaken to identify issues and prevent deterioration and this work will continue following endorsement of the plan.
Integration - Impact on our well-being objectives, national well-being goals and the well-being objectives of other public bodies.	The project sits within a wider policy and strategy framework at local, regional and national level. These include: Cardiff Capital Region and City Deal, WG Prosperity for All, Valley's Taskforce and local wellbeing plans. The project will also complement and be developed simultaneously with the Town Centre masterplan which is currently in development.	The Regeneration Team will maintain strong linkages with the SPV and MTLT ensuring connectivity and regular reporting on projects.
Collaboration - Acting in collaboration with others inside and outside the Council.	Collaboration is a key consideration of the project. Engagement will be made with the private sector, local community, heritage groups, the public and national organisations to support delivery and achieve outcomes.	The plan will be delivered in conjunction with the SPV.

Involvement - Involving people with an interest in achieving the well-being goals and who reflect the diversity of our communities.	Continued consultation and communication will be undertaken extensively throughout the project.	Key stakeholders will be fully involved when developing and delivering each project over the next 25 years.

4. Socio-economic Disadvantage (Strategic Decisions)

Does your proposal impact/deliver better outcomes for those who are experiencing socio-economic disadvantage?

The Socio-economic Duty places a responsibility on the Council to have 'due regard' to how we can reduce inequalities of outcome caused by socio-economic disadvantage when making strategic decisions. This duty gives us an opportunity to do things differently and put tackling inequality at the heart of key decision-making. Socio-economic disadvantage means living on a low income compared to others in Wales, with little or no accumulated wealth, leading to greater material deprivation, restricting the ability to access basic goods and services.

Please consider: Single parents and vulnerable families, pensioners, carers, looked after children, single adult households, armed forces community, people with low literacy/numeracy, people who are homeless, people who have experienced the asylum system, students, people of all ages leaving a care setting, people living in the most deprived areas of Wales, people misusing substances, people involved in the criminal justice system, people who are not in education, employment or training. Please see the guidance document for more information.

5. Consultation and Engagement

What consultation and/or engagement has been undertaken to inform the development of the proposal?

There may be a legal requirement to consult in some instances, or a legitimate expectation that consultation will take place. Where it has been determined that consultation is required, the Gunning Principles must be adhered to.

- The proposals are still at a formative stage.
- There is sufficient information to give 'intelligent consideration'.
- There is adequate time for consideration and response.
- 'Conscientious consideration' must be given to the consultation responses before a decision is made.

Please consider: Protected Characteristic groups, those who are experiencing socio-economic disadvantage, communities and places of interest, other stakeholders, forums, community groups and community councils. Please see the guidance document for more information.

Consultation and Engagement	Has consultation and/or engagement been undertaken on the proposal? Please place an X in the relevant box.			Briefly describe any recent or planned consultation and/or engagement exercises, paying particular attention to evidencing the Gunning Principles. Please identify when the consultation and/or engagement took place or will take place, or why it is not required.	Who was consulted/engaged with? Was sufficient information provided to allow an informed decision on the proposal to be made? What were the key findings of the consultation and/or engagement? Have these findings been taken into account? Is further consultation and/or engagement required?
	Undertaken	Due to be undertaken	Not required		
Requirement for consultation and/or engagement to be undertaken, or a legitimate expectation that it will take place.	X	X		Considerable consultation was undertaken by the Ian Ritchie Team to support the creation of The Cyfarthfa Plan. Further consultation will take place during project development and delivery.	Local, regional and national stakeholders were engaged with as well as members of the public. The same groups will be targeted for any future project consultations required.

6. Data and Evidence

What data or other evidence has been used to inform the development of the proposal?

Evidence may include the outcome of previous consultation or engagement exercises, existing databases, pilot projects, review of customer complaints and compliments and other service user feedback, national and regional data, academic publications and reports, future trends, horizon scanning, business plans etc. Consider the sources of evidence from all of the sections in your explanation.

Data and Evidence	Has data and evidence been used in order to inform the proposal? Please place an X in the relevant box.		What data or other evidence has been used to inform the development of the proposal? What have been the key findings of this data and evidence? Has this data and evidence helped to inform the proposal?	How has the data and evidence helped to inform the proposal? If the data and evidence did not support the proposal, why was this? Have there been any gaps identified? If so, what steps will be taken to cover the identified gaps?
	Yes	No		
Data and evidence used in order to inform the proposal.	X		The creation of The Cyfarthfa Plan has supported WG in allocating funding towards the development and implementation of the 'Crucible Project'.	The Plan and the creation of the SPV has identified the need for development funding to support the development and implementation of projects.

7. Biodiversity and resilience of Ecosystems

How does your proposal impact on Biodiversity and therefore the resilience of Ecosystems?

Under Section 6 of the Environment (Wales) Act 2016 we must seek to maintain and enhance Biodiversity within the proper exercise of our functions. In doing so, we must also seek to promote the resilience of Ecosystems.

Biodiversity and resilience of Ecosystems	What is the expected impact on Biodiversity? Please place an X in the relevant box.				Why have you come to this decision? Please provide an explanation.	What actions have been/will be taken to better contribute to the maintenance and enhancement of Biodiversity? How do you know when this has been achieved?
	Maintained	Enhanced	Reduced	Neutral		
To maintain and enhance Biodiversity (and therefore promote the resilience of Ecosystems).	X				Biodiversity will be a key consideration of any future project.	The Regeneration Team and SPV will liaise with Planning on any opportunities.

Sources of evidence to support the above (please use this information when completing the section 'Data and Evidence'):

8. Summary

As a result of completing this IIA, please identify below;

- The number of positive, negative or neutral scores for the Council's Well-being objectives, the sustainable development principles, protected characteristics including Welsh Language and Socio-economic disadvantage.
- If consultation and/or engagement has been undertaken, is due to take place or is not required.
- If data and evidence has been used in order to inform the proposal.
- If the proposal maintains, enhances or reduces the resilience of ecosystems.

The table below should then be included in the related Council/Cabinet report.
