Reason why vehicle was not tested by Mototech or application not submitted prior to the lapse of the licence.

This vehicle was purchased during lockdown by myself, due to the current working climate we haven't had any use for it yet. My insurance works on quarterly declarations, therefore if I had put the vehicle on taxi cover before this week I would have been liable for the last 3 months insurance. If you need more clarification on this you can call me to discuss.

This is an executive vehicle and are hoping to corner the market with some executive vehicles.

The plating & MOT was carried out before the vehicle turned 4 years old. I hope this is acceptable.

I have also spoken with Aneurin regarding this bus as I'd like to be exempt from door stickers. I've attached a letter to be forwarded to committee on my behalf.

**Thank you
Evan**
