

No.	Name of Organisation:	Type of Org.:	Locally Based:	100% Local Impact:	Type of Project:	CRF Grant Being Requested:	Match Funding Secured:	UK CRF GATEWAY CRITERIA:		MTCBC STAGE 2 ASSESSMENT				Put Forward to a Full Assessment:	
								Does the Project Get Through the UK CRF Gateway:	If no, Add Comments Below:	Is the Application Complete:	Is the Spend Eligible:	Is the Project New to Merthyr Tydfil:	Are there any Due Dilligence Issues:		Comments:
1	Business in Focus	Social Ltd.	No	Yes	Enterprise	213,126		No	Project already exists						No
2	TGP Cymru	Voluntary	No	Yes	Skills/Training	328,879		Yes	Debs to Assess	Yes	Yes				
3	Direct 2U	Private	No	Yes	Skills/Training	50,000	5,600			Yes	Yes			Low grant requested and low impact in terms of outputs	
4	Devopsgroup	Private	No	Yes	Skills/Training	504,000			Funding their staff to run training???	Yes	Yes			Funding a private companies staff to run training. Also, £504,000 just for their staff over a seven month period with no real rationale behind salary costs!!!	No
5	Maybe Solutions	Private	No	Yes	Train./Enterprise	257,241	417,565							Match funding is based on 9 months access to their online platform!! They want £85,172 of grant for their staff costs based on percentages. May not be innovative or new enough either. Another large portion of money is given to businesses for social media grants - unsure if this is a part of their business too!!!	No
6	Gellideg Foundation	Voluntary	Yes	Yes	Training./App Dev.	492,430		Yes	Debs to Assess	Yes	Yes			Not sure about its impact or need.	
7	Radikl	Private	No	Yes	Enterprise	92,750				Yes	Yes	No		No research into Merthyr Tydfil / need / Hubs and seems a 'copy and paste' job. Not new or innovative for Merthyr Tydfil. Pretty much paying for their staff to work with x40 businesses. Impact is very low.	No

8	BIGC	Voluntary	No	Yes	Skills/Training	169,740								Project seems very 'fluffy' with a low impact rating. Not a lot of information surrounding outputs or actual need for the project. Match coming from staff / volunteer time is questionable for such a fund.
9	H Factor	Social Ltd.	Yes	Yes	Skills/Training	212,000	3,000							Concerns surrounding the orgs. Viability to implement and manage such a project. Previous problems encountered with them before on land usage. No clear plan as to what actual land they wish to use or have secured (unaware of Quakers Yard site). Cited 100% work in Merthyr but proposing work in Abercynon. Project End date cited as being 30th June 2021 which is a mistake. Timescales are extremely tight. Capital costs do not add up either!! also, Risk Assessment is very weak.
10	Legacy International	Social Ltd.			Training/App Dev.	449,064								
11	Third Sector Consortia	Social Ltd.			Train./Employment	539,906								
12	Tieta Uk	Private	No		Skills/Training	1,661,080								Lacks innovation and is not unique to Merthyr. Application is plain with little information. The amount being requested is too much (in my opinion) with half for their staffing costs and a further £300,000 for their own E-Learning Module!!. Other ancillary costs are way too much.
13	Twyn Community Hub	Charity	Yes		Community	259,854								
14	MT Leisure Trust	Voluntary	Yes		Creative/Skills	903,028	56,800							
15	Tydfil Training	Voluntary	Yes		Enterprise	506,000	100,000							
16	Torfaen	Council	Yes		Skills/Training	126,526
