## 2. Sustainable Development Principles (The Five Ways of Working)

### Does your proposal demonstrate you have met the sustainable development principles (five ways of working)?

The Well-being of Future Generations (Wales) Act 2015 requires the Council to consider how any proposals improve the social, economic, environmental and cultural well-being, whilst also looking to the future, planning for the long term and ensuring that we do not compromise the ability of future generations to meet their own needs. Please consider the national well-being goals when completing this section.

<b>Five Ways of Working</b>	<b>How does your proposal demonstrate you have met the five ways of working when developing the proposal?</b>	<b>Are there any additional actions to be taken to better contribute to the five ways of working and/or mitigate any negative impacts? How will you know when this has been achieved?</b>
<b>Long Term</b> - Thinking and planning for the long term, balancing short term and long term needs.	European Grant funding has been secured until December 2022 and future funding arrangements remain a focus of the NEET Steering group.	Future funding for NEET related support projects will need to be identified due to the withdrawal of European funding from December 2022.
<b>Prevention</b> - Preventing problems occurring or getting worse.	The NEET Strategy takes a preventative approach as it focuses on early intervention and prevention through the use of the Early Identification Toolkit to identify young people in need of support, as well as brokering appropriate support.	The process of early identification of young people at risk of being NEET is being reviewed.
<b>Integration</b> - Impact on our well-being objectives, national well-being goals and the well-being objectives of other public bodies.	The NEET Strategy contributes to a number of other strategies and plans, e.g. Focus on the Future, Youth Support Services Plan, Youth Service Strategy, Social Services Pathway to Work, Economic Regeneration Strategy.	The new integrated Youth Support Services Plan is currently being developed.
<b>Collaboration</b> - Acting in collaboration with others inside and outside the Council.	The work outlined in the NEET Action Plan is undertaken in collaboration with many other partners, e.g. local secondary schools, Careers Wales, YOS, Social Services Department, Economic Regeneration Department, Learning Department, College Merthyr Tydfil, local work based learning providers.	Partnership working with colleagues and partners remained effective during the pandemic.
<b>Involvement</b> - Involving people with an interest in achieving the well-being goals and who reflect the diversity of our communities.	Young people were consulted prior to the development of the current NEET Strategy and support needs, future employment and employability skills were highlighted as a concern for them.	Young people have recently been consulted on the issues that are important to them and were involved in the development of this consultation. Their views will be taken forward in the development of the new Youth Support Services Plan.
