

# **Merthyr Tydfil County Borough Council - Integrated Impact Assessment**

(Includes Well-being of Future Generations, Protected Characteristics, Welsh Language, Socio-economic Disadvantage, Sustainability and Biodiversity, Consultation/Engagement and Data/Evidence)

Before completing this Integrated Impact Assessment (IIA), please refer to the corresponding **guidance document**, which provides essential background information.

An IIA MUST be completed for:

- Any Council / Cabinet report.
- Any strategic decisions being taken where due regard is required to reduce inequalities of outcome resulting from socio-economic disadvantage.
- Any project (i.e. something that has a start and end date and is different from day to day business).
- Where you are implementing significant change e.g. service provision.

This IIA helps to support the Council in making informed and effective decisions whilst ensuring compliance with a range of relevant legislation. This IIA must be completed at the start of any project or proposal.

**Sources of evidence to support the above (please use this information when completing the section 'Data and Evidence'):**

All staff (including those without computer access) and all elected members having safeguarding training could support the *living well* objective. This would be the case if people who were at risk were prevented from suffering harm or suffering continued harm through greater awareness of the duty to report and safeguarding being everyones business.

## 2. Sustainable Development Principles (The Five Ways of Working)

### Does your proposal demonstrate you have met the sustainable development principles (five ways of working)?

The Well-being of Future Generations (Wales) Act 2015 requires the Council to consider how any proposals improve the social, economic, environmental and cultural well-being, whilst also looking to the future, planning for the long term and ensuring that we do not compromise the ability of future generations to meet their own needs. Please consider the national well-being goals when completing this section.

<b>Five Ways of Working</b>	<b>How does your proposal demonstrate you have met the five ways of working when developing the proposal?</b>	<b>Are there any additional actions to be taken to better contribute to the five ways of working and/or mitigate any negative impacts? How will you know when this has been achieved?</b>
<b>Long Term</b> - Thinking and planning for the long term, balancing short term and long term needs.	Investing in current wellbeing reduces future dependency	
<b>Prevention</b> - Preventing problems occurring or getting worse.	Preventing harm to our public is a possible outcome	
<b>Integration</b> - Impact on our well-being objectives, national well-being goals and the well-being objectives of other public bodies.	Those receiving training may pass knowledge onto other public bodies	
<b>Collaboration</b> - Acting in collaboration with others inside and outside the Council.	Those receiving training may pass knowledge onto other public bodies	
<b>Involvement</b> - Involving people with an interest in achieving the well-being goals and who reflect the diversity of our communities.	Involving more staff in safeguarding training may make them feel part of the wider Council responsibility to safeguard

#### 4. Socio-economic Disadvantage (Strategic Decisions)

##### Does your proposal impact/deliver better outcomes for those who are experiencing socio-economic disadvantage?

The Socio-economic Duty places a responsibility on the Council to have 'due regard' to how we can reduce inequalities of outcome caused by socio-economic disadvantage when making strategic decisions. This duty gives us an opportunity to do things differently and put tackling inequality at the heart of key decision-making. Socio-economic disadvantage means living on a low income compared to others in Wales, with little or no accumulated wealth, leading to greater material deprivation, restricting the ability to access basic goods and services.

Please consider: Single parents and vulnerable families, pensioners, carers, looked after children, single adult households, armed forces community, people with low literacy/numeracy, people who are homeless, people who have experienced the asylum system, students, people of all ages leaving a care setting, people living in the most deprived areas of Wales, people misusing substances, people involved in the criminal justice system, people who are not in education, employment or training. Please see the guidance document for more information.

cumulative impact will the proposal have on people or groups because of their protected characteristic(s) or vulnerability or because they are already disadvantaged?					

##### **Sources of evidence to support the above (please use this information when completing the section 'Data and Evidence'):**

Training being available to all Council Staff will increase the possibility of more people who may have suffered abuse being safeguarded from this abuse. People experiencing socio economic deprivation are more likely to be negatively affected by abuse. It is possible this action taken will provide a degree of positive impact on this group.

## 5. Consultation and Engagement

### What consultation and/or engagement has been undertaken to inform the development of the proposal?

There may be a legal requirement to consult in some instances, or a legitimate expectation that consultation will take place. Where it has been determined that consultation is required, the Gunning Principles must be adhered to.

- The proposals are still at a formative stage.
- There is sufficient information to give 'intelligent consideration'.
- There is adequate time for consideration and response.
- 'Conscientious consideration' must be given to the consultation responses before a decision is made.

Please consider: Protected Characteristic groups, those who are experiencing socio-economic disadvantage, communities and places of interest, other stakeholders, forums, community groups and community councils. Please see the guidance document for more information.

Consultation and Engagement	Has consultation and/or engagement been undertaken on the proposal? Please place an X in the relevant box.			Briefly describe any recent or planned consultation and/or engagement exercises, paying particular attention to evidencing the Gunning Principles. Please identify when the consultation and/or engagement took place or will take place, or why it is not required.	Who was consulted/engaged with? Was sufficient information provided to allow an informed decision on the proposal to be made? What were the key findings of the consultation and/or engagement? Have these findings been taken into account? Is further consultation and/or engagement required?
	Undertaken	Due to be undertaken	Not required		
Requirement for consultation and/or engagement to be undertaken, or a legitimate expectation that it will take place.	X			A staff survey was carried out to inform the resulting action plan	All staff members

Sources of evidence to support the above (please use this information when completing the section 'Data and Evidence'):

**6. Data and Evidence**

**What data or other evidence has been used to inform the development of the proposal?**

Evidence may include the outcome of previous consultation or engagement exercises, existing databases, pilot projects, review of customer complaints and compliments and other service user feedback, national and regional data, academic publications and reports, future trends, horizon scanning, business plans etc. Consider the sources of evidence from all of the sections in your explanation.

Data and Evidence	Has data and evidence been used in order to inform the proposal? Please place an X in the relevant box.		What data or other evidence has been used to inform the development of the proposal? What have been the key findings of this data and evidence? Has this data and evidence helped to inform the proposal?	How has the data and evidence helped to inform the proposal? If the data and evidence did not support the proposal, why was this? Have there been any gaps identified? If so, what steps will be taken to cover the identified gaps?
	Yes	No		
Data and evidence used in order to inform the proposal.	X		See internal audit report	

**Sources of evidence to support the above:**

Final audit report

**7. Biodiversity and resilience of Ecosystems**

**How does your proposal impact on Biodiversity and therefore the resilience of Ecosystems?**

Under Section 6 of the Environment (Wales) Act 2016 we must seek to maintain and enhance Biodiversity within the proper exercise of our functions. In doing so, we must also seek to promote the resilience of Ecosystems.

Biodiversity and resilience of Ecosystems	What is the expected impact on Biodiversity? Please place an X in the relevant box.				Why have you come to this decision? Please provide an explanation.	What actions have been/will be taken to better contribute to the maintenance and enhancement of Biodiversity? How do you know when this has been achieved?
	Maintained	Enhanced	Reduced	Neutral		
To maintain and enhance Biodiversity (and therefore promote the resilience of Ecosystems).				X	No expected impact relevant to this area

### 9. Actions

Based on the summary of your positive and negative impacts identified in the Summary section above, will you need to make changes to your proposal to better contribute to positive impacts and/or mitigate any negative impacts?

Please identify any further actions you will need to undertake to better inform this proposal e.g. whether further consultation is required or more data and evidence is required to better inform the proposal.

What are you going to do?	Estimated completion date	Who will be responsible?	Timelines/Milestones e.g. 6 months/over a year, etc.	Progress

### 10. Version Control

The IIA should be used at the earliest stages of the development of the proposal and decision making process, and then honed and refined throughout to strengthen and shape the proposal. This section will act as an audit trail to evidence how the IIA has been developed over time.

Please use the table below to keep a record of this process so that we can demonstrate how we have delivered the sustainable development principles.
