

SMOKING SHELTER PROPOSALS

- No customers will be permitted out the front of the premises to smoke (*already agreed with SWP*).
- A smoking shelter will be erected in the area not marked with X on the below plan.
- The designated smoking area will be in the smoking shelter only.
- The maximum number of customers in the smoking shelter will be 4.
- Signage will be displayed on the front and rear doors regarding the designated smoking area (*already agreed with SWP*).
- There will be CCTV coverage of the enclosed external area, which will include the smoking shelter.
