COMMITTEE	FULL COUNCIL	DATE	8 September 2021
DATE RECEIVED	10 August 2021	SUBMITTED BY	Councillor E Galsworthy

MOTION:

The international campaign to abolish nuclear weapons (ICAN) won the Nobel peace prize for the United Nations. Sean Morris, an officer of Manchester City Council and the Principal Policy officer of the UK and Ireland Nuclear Free Local Authority, was the delegate and went to Oslo to receive the prize.

As Chairman of the Wales Nuclear Free Local Authority, I was very pleased when Bangor City Council became the first Welsh Council to support The Treaty on the Prohibition of Nuclear Weapons as part of the International Campaign to Abolish Nuclear Weapons.

The next Council in Wales to support the Treaty was Nefyn Town Council; and on 8 July 2021 Gwynedd County Council also passed a resolution to support the Treaty on the Prohibition of Nuclear Weapons. The decision was passed by 53 Councillors with no opposition.

As the Merthyr Tydfil County Borough Council representative and Chair of the Nuclear Free Local Authority, I would ask that the Council support the Treaty on the Prohibition of Nuclear Weapons.
