

# **Merthyr Tydfil County Borough Council - Integrated Impact Assessment**

(Includes Well-being of Future Generations, Protected Characteristics, Welsh Language, Socio-economic Disadvantage, Sustainability and Biodiversity, Consultation/Engagement and Data/Evidence)

Before completing this Integrated Impact Assessment (IIA), please refer to the corresponding **guidance document**, which provides essential background information.

An IIA MUST be completed for:

- Any Council / Cabinet report.
- Any strategic decisions being taken where due regard is required to reduce inequalities of outcome resulting from socio-economic disadvantage.
- Any project (i.e. something that has a start and end date and is different from day to day business).
- Where you are implementing significant change e.g. service provision.

This IIA helps to support the Council in making informed and effective decisions whilst ensuring compliance with a range of relevant legislation. This IIA must be completed at the start of any project or proposal.

<b>Give a brief description of the proposal including the aims, and any links to relevant reports or documents:</b>	<p>This report summarises the Council's Annual Performance Report (APR). Our Annual Performance Report is a statutory requirement for Merthyr Tydfil County Borough Council (a document that we are required to publish in line with our regulations). We publish the Annual Performance Report to communicate our self-evaluation against delivery of our well-being objectives. The intention of the APR is to provide an overall assessment of Council performance during the year.</p> <p>This APR document relates to the year April 2020 to March 2021.</p>					

**1. Merthyr Tydfil Well-being Objectives**

**Does your proposal help to deliver any of the Council's Well-being Objectives?**

How does your proposal help to deliver any or all of the Council's Well-being Objectives?

Well-being Objectives	Does your proposal have a positive or negative impact on the Council's Well-being Objectives? Please place an X in the relevant box.			Why have you come to this decision? Please provide an explanation.	What actions have been/will be taken to better contribute to positive impacts and/or mitigate any negative impacts? How will you know when this has been achieved?
	Positive	Negative	Neutral		
<b>Best Start to Life -</b> Children and young people get the best start to life and are equipped with the skills they need to be successful learners and confident individuals.	X			The Annual Performance Report (APR) reviews and enables development and improvement across this objective.	This is achieved by identifying judgements across the objective so that areas can be strengthened. This is then delivered through the five ways of working.
<b>Working Life -</b> People feel supported to develop the skills required to meet the needs of businesses with a developing, safe infrastructure making Merthyr Tydfil an attractive destination.	X			As above.	As above.
<b>Environmental Well-being -</b> Communities protect, enhance and promote our environment and countryside.	X			As above.	As above.
<b>Living Well -</b> People are empowered to live independently within their communities, where they feel safe and enjoy good physical and mental health.	X			As above.	As above.

## 2. Sustainable Development Principles (The Five Ways of Working)

### Does your proposal demonstrate you have met the sustainable development principles (five ways of working)?

The Well-being of Future Generations (Wales) Act 2015 requires the Council to consider how any proposals improve the social, economic, environmental and cultural well-being, whilst also looking to the future, planning for the long term and ensuring that we do not compromise the ability of future generations to meet their own needs. Please consider the national well-being goals when completing this section.

<b>Five Ways of Working</b>	<b>How does your proposal demonstrate you have met the five ways of working when developing the proposal?</b>	<b>Are there any additional actions to be taken to better contribute to the five ways of working and/or mitigate any negative impacts? How will you know when this has been achieved?</b>
<b>Long Term</b> - Thinking and planning for the long term, balancing short term and long term needs.	Under the Well-being of Future Generations (Wales) Act 2015, each area within the APR will assess and make judgements against this way of working.	The challenge and reflection within the APR allows us to better plan in line with this way of working. This strengthens the delivery going forward.
<b>Prevention</b> - Preventing problems occurring or getting worse.	As above.	As above.
<b>Integration</b> - Impact on our well-being objectives, national well-being goals and the well-being objectives of other public bodies.	As above.	As above.
<b>Collaboration</b> - Acting in collaboration with others inside and outside the Council.	As above.	As above.
<b>Involvement</b> - Involving people with an interest in achieving the well-being goals and who reflect the diversity of our communities.	As above.	As above.

### 3. Protected Characteristics (including Welsh Language)

**Does your proposal directly impact on service users, employees and/or the wider community, including the nine protected characteristic groups and Welsh language as identified below?**

The Public Sector Equality Duty requires the Council to have 'due regard' to the need to eliminate unlawful discrimination, harassment and victimisation; advance equality of opportunity and foster good relations between different groups. Please note that an individual may have more than one protected characteristic.

#### 4. Socio-economic Disadvantage (Strategic Decisions)

##### Does your proposal impact/deliver better outcomes for those who are experiencing socio-economic disadvantage?

The Socio-economic Duty places a responsibility on the Council to have 'due regard' to how we can reduce inequalities of outcome caused by socio-economic disadvantage when making strategic decisions. This duty gives us an opportunity to do things differently and put tackling inequality at the heart of key decision-making. Socio-economic disadvantage means living on a low income compared to others in Wales, with little or no accumulated wealth, leading to greater material deprivation, restricting the ability to access basic goods and services.

Please consider: Single parents and vulnerable families, pensioners, carers, looked after children, single adult households, armed forces community, people with low literacy/numeracy, people who are homeless, people who have experienced the asylum system, students, people of all ages leaving a care setting, people living in the most deprived areas of Wales, people misusing substances, people involved in the criminal justice system, people who are not in education, employment or training. Please see the guidance document for more information.

<b>Low Income/Income Poverty</b> - Unable to afford to maintain regular payments such as bills, food, clothing, transport, other essential items etc.	X			The Annual Performance Report (APR) reviews and enables development and improvement across socio-economic disadvantage. The APR considers how the corporate well-being plan delivers our outcomes and well-being objectives, include the cross-cutting theme of tackling poverty.	This is achieved by identifying judgements across our well-being objectives so that areas can be strengthened. This is then delivered through the five ways of working.
<b>Low and/or No Wealth</b> - Enough money to meet basic living costs and pay bills but have no savings to deal with any unexpected spends and no provision for the future.	X			As above.	As above.

## 5. Consultation and Engagement

### What consultation and/or engagement has been undertaken to inform the development of the proposal?

There may be a legal requirement to consult in some instances, or a legitimate expectation that consultation will take place. Where it has been determined that consultation is required, the Gunning Principles must be adhered to.

- The proposals are still at a formative stage.
- There is sufficient information to give 'intelligent consideration'.
- There is adequate time for consideration and response.
- 'Conscientious consideration' must be given to the consultation responses before a decision is made.

Please consider: Protected Characteristic groups, those who are experiencing socio-economic disadvantage, communities and places of interest, other stakeholders, forums, community groups and community councils. Please see the guidance document for more information.

Consultation and Engagement	Has consultation and/or engagement been undertaken on the proposal? Please place an X in the relevant box.			Briefly describe any recent or planned consultation and/or engagement exercises, paying particular attention to evidencing the Gunning Principles. Please identify when the consultation and/or engagement took place or will take place, or why it is not required.	Who was consulted/engaged with? Was sufficient information provided to allow an informed decision on the proposal to be made? What were the key findings of the consultation and/or engagement? Have these findings been taken into account? Is further consultation and/or engagement required?
	Undertaken	Due to be undertaken	Not required		
Requirement for consultation and/or engagement to be undertaken, or a legitimate expectation that it will take place.	X			Consultation was undertaken to develop our corporate well-being plan but this report details performance against that. However, service users, staff, Members and partners have contributed to the APR.	Service users, staff, Members and partners have contributed to the APR.

**6. Data and Evidence**

**What data or other evidence has been used to inform the development of the proposal?**

Evidence may include the outcome of previous consultation or engagement exercises, existing databases, pilot projects, review of customer complaints and compliments and other service user feedback, national and regional data, academic publications and reports, future trends, horizon scanning, business plans etc. Consider the sources of evidence from all of the sections in your explanation.

Data and Evidence	Has data and evidence been used in order to inform the proposal? Please place an X in the relevant box.		What data or other evidence has been used to inform the development of the proposal? What have been the key findings of this data and evidence? Has this data and evidence helped to inform the proposal?	How has the data and evidence helped to inform the proposal? If the data and evidence did not support the proposal, why was this? Have there been any gaps identified? If so, what steps will be taken to cover the identified gaps?
	Yes	No		
Data and evidence used in order to inform the proposal.	X		Various data sources have been used as part of the APR, including to arrive at judgements of performance.	Comparisons against previous years, across Wales (where available) and qualitative information has been used to identify trends, inform continuous improvement and form performance judgements.

**Sources of evidence to support the above:**

Please see APR report for detail.

**7. Biodiversity and resilience of Ecosystems**

**How does your proposal impact on Biodiversity and therefore the resilience of Ecosystems?**

Under Section 6 of the Environment (Wales) Act 2016 we must seek to maintain and enhance Biodiversity within the proper exercise of our functions. In doing so, we must also seek to promote the resilience of Ecosystems.

Biodiversity and resilience of Ecosystems	What is the expected impact on Biodiversity? Please place an X in the relevant box.				Why have you come to this decision? Please provide an explanation.	What actions have been/will be taken to better contribute to the maintenance and enhancement of Biodiversity? How do you know when this has been achieved?
	Maintained	Enhanced	Reduced	Neutral		
To maintain and enhance Biodiversity (and therefore promote the resilience of Ecosystems).		X			There are examples within the APR of how biodiversity has been enhanced from the work carried out in 2020-21.	Monitoring of the Councils Corporate Well-being Plan.

## 8. Summary

As a result of completing this IIA, please identify below;

- The number of positive, negative or neutral scores for the Council's Well-being objectives, the sustainable development principles, protected characteristics including Welsh Language and Socio-economic disadvantage.
- If consultation and/or engagement has been undertaken, is due to take place or is not required.
- If data and evidence has been used in order to inform the proposal.
- If the proposal maintains, enhances or reduces the resilience of ecosystems.

The table below should then be included in the related Council/Cabinet report.
