

Merthyr Tydfil County Borough Council - Integrated Impact Assessment

(Includes Well-being of Future Generations, Protected Characteristics, Welsh Language, Socio-economic Disadvantage, Sustainability and Biodiversity, Consultation/Engagement and Data/Evidence)

Before completing this Integrated Impact Assessment (IIA), please refer to the corresponding **guidance document**, which provides essential background information.

An IIA MUST be completed for:

- Any Council / Cabinet report.
- Any strategic decisions being taken where due regard is required to reduce inequalities of outcome resulting from socio-economic disadvantage.
- Any project (i.e. something that has a start and end date and is different from day to day business).
- Where you are implementing significant change e.g. service provision.

This IIA helps to support the Council in making informed and effective decisions whilst ensuring compliance with a range of relevant legislation. This IIA must be completed at the start of any project or proposal.

Give a brief description of the proposal including the aims, and any links to relevant reports or documents:	As the Council has continued to deliver its transformation and investigate its capacity requirements, gaps have become apparent. These have been identified when considering service and corporate level risk but there are opportunities to become more efficient. Proposals have been based on how to best address the situation to be more effective, efficient and economical. There are other more costly and inefficient options to address the situation but have been replaced through the challenge process.					

1. Merthyr Tydfil Well-being Objectives

Does your proposal help to deliver any of the Council's Well-being Objectives?

How does your proposal help to deliver any or all of the Council's Well-being Objectives?

Well-being Objectives	Does your proposal have a positive or negative impact on the Council's Well-being Objectives? Please place an X in the relevant box.			Why have you come to this decision? 2. Sustainable Development Principles (The Five Ways of Working)

Does your proposal demonstrate you have met the sustainable development principles (five ways of working)?

The Well-being of Future Generations (Wales) Act 2015 requires the Council to consider how any proposals improve the social, economic, environmental and cultural well-being, whilst also looking to the future, planning for the long term and ensuring that we do not compromise the ability of future generations to meet their own needs. Please consider the national well-being goals when completing this section.

Five Ways of Working	How does your proposal demonstrate you have met the five ways of working when developing the proposal?	Are there any additional actions to be taken to better contribute to the five ways of working and/or mitigate any negative impacts? How will you know when this has been achieved?
Long Term - Thinking and planning for the long term, balancing short term and long term needs.	Effective and efficient financing of the Councils capacity need will enable the delivery of the outcomes included within the Corporate Plan and is fundamental to the long-term sustainability of the Council.	Achievement of outcomes monitored. Before proposal supported the investment had to demonstrate either: <ul style="list-style-type: none"> ○ A financial return ○ Avoidance of future costs ○ Service resilience ○ Risk mitigation ○ Improved performance
Prevention - Preventing problems occurring or getting worse.	By addressing key questions such as 'avoidance of future costs', 'service resilience', 'risk mitigation' consideration is given at inception to investing to prevent or mitigate potential problems.	As above
Integration - Impact on our well-being objectives, national well-being goals and the well-being objectives of other public bodies.	Proposal supports investment in Council wellbeing objectives of 'Best Start in Life', 'Working Well', 'Living Well' and 'Environmental Wellbeing' which in turn integrate with national objectives.	As above
Collaboration - Acting in collaboration with others inside and outside the Council.	The proposals were developed in collaboration with across the Council and with Members.	As above
Involvement - Involving people with an interest in achieving the well-being goals and who reflect the diversity of our communities.	The Capacity Exercise involved engagement with Elected Members and Improvement and Assurance Board.	As above

4. Socio-economic Disadvantage (Strategic Decisions)

Does your proposal impact/deliver better outcomes for those who are experiencing socio-economic disadvantage?

The Socio-economic Duty places a responsibility on the Council to have 'due regard' to how we can reduce inequalities of outcome caused by socio-economic disadvantage when making strategic decisions. This duty gives us an opportunity to do things differently and put tackling inequality at the heart of key decision-making. Socio-economic disadvantage means living on a low income compared to others in Wales, with little or no accumulated wealth, leading to greater material deprivation, restricting the ability to access basic goods and services.

Please consider: Single parents and vulnerable families, pensioners, carers, looked after children, single adult households, armed forces community, people with low literacy/numeracy, people who are homeless, people who have experienced the asylum system, students, people of all ages leaving a care setting, people living in the most deprived areas of Wales, people misusing substances, people involved in the criminal justice system, people who are not in education, employment or training. Please see the guidance document for more information.

	Positive	Negative	Neutral		
Low Income/Income Poverty - Unable to afford to maintain regular payments such as bills, food, clothing, transport, other essential items etc.			X	The investment addresses all well-being objectives but has no specific impact on this socio-economic disadvantage category.	This proposal deals with addressing capacity within the Council only. The Corporate Plan itself will further consider socio-economic issues within specific work programmes.
Low and/or No Wealth - Enough money to meet basic living costs and pay bills but have no savings to deal with any unexpected spends and no provision for the future.			X	As above	As above

4. Socio-economic Disadvantage (Strategic Decisions)

4. Socio-economic Disadvantage (Strategic Decisions)

Does your proposal impact/deliver better outcomes for those who are experiencing socio-economic disadvantage?

The Socio-economic Duty places a responsibility on the Council to have ‘due regard’ to how we can reduce inequalities of outcome caused by socio-economic disadvantage when making strategic decisions. This duty gives us an opportunity to do things differently and put tackling inequality at the heart of key decision-making. Socio-economic disadvantage means living on a low income compared to others in Wales, with little or no accumulated wealth, leading to greater material deprivation, restricting the ability to access basic goods and services.

5. Consultation and Engagement

What consultation and/or engagement has been undertaken to inform the development of the proposal?

There may be a legal requirement to consult in some instances, or a legitimate expectation that consultation will take place. Where it has been determined that consultation is required, the Gunning Principles must be adhered to.

- The proposals are still at a formative stage.
- There is sufficient information to give 'intelligent consideration'.
- There is adequate time for consideration and response.
- 'Conscientious consideration' must be given to the consultation responses before a decision is made.

Please consider: Protected Characteristic groups, those who are experiencing socio-economic disadvantage, communities and places of interest, other stakeholders, forums, community groups and community councils. Please see the guidance document for more information.

Consultation and Engagement	Has consultation and/or engagement been undertaken on the proposal? Please place an X in the relevant box.			Briefly describe any recent or planned consultation and/or engagement exercises, paying particular attention to evidencing the Gunning Principles. Please identify when the consultation and/or engagement took place or will take place, or why it is not required.	Who was consulted/engaged with? Was sufficient information provided to allow an informed decision on the proposal to be made? What were the key findings of the consultation and/or engagement? Have these findings been taken into account? Is further consultation and/or engagement required?
	Undertaken	Due to be undertaken	Not required		
Requirement for consultation and/or engagement to be undertaken, or a legitimate expectation that it will take place.			X	Consultation not required since the investment is an enabler in achieving desired outcomes within the Corporate Plan.	Internal engagement has been undertaken with CMT, Cabinet and other Members.

Sources of evidence to support the above (please use this information when completing the section 'Data and Evidence'):

Member workshops and Merthyr Tydfil CBC – Medium Term Financial Plan

6. Data and Evidence

What data or other evidence has been used to inform the development of the proposal?

Evidence may include the outcome of previous consultation or engagement exercises, existing databases, pilot projects, review of customer complaints and compliments and other service user feedback, national and regional data, academic publications and reports, future trends, horizon scanning, business plans etc. Consider the sources of evidence from all of the sections in your explanation.

Data and Evidence	Has data and evidence been used in order to inform the proposal? Please place an X in the relevant box.		What data or other evidence has been used to inform the development of the proposal? What have been the key findings of this data and evidence? Has this data and evidence helped to inform the proposal?	How has the data and evidence helped to inform the proposal? If the data and evidence did not support the proposal, why was this? Have there been any gaps identified? If so, what steps will be taken to cover the identified gaps?
	Yes	No		
Data and evidence used in order to inform the proposal.	X		Investment submissions from Senior Officers. Proposals challenged against key questions by CMT, Cabinet and Members. Affordability of proposals assessed.	The data and evidence have provided assurance and confidence to CMT, Cabinet and Members that scarce financial resources are being allocated to priority areas in enabling the delivery of desired outcomes.

Sources of evidence to support the above:

Member workshops and Merthyr Tydfil CBC – Medium Term Financial Plan

7. Biodiversity and resilience of Ecosystems

How does your proposal impact on Biodiversity and therefore the resilience of Ecosystems?

Under Section 6 of the Environment (Wales) Act 2016 we must seek to maintain and enhance Biodiversity within the proper exercise of our functions. In doing so, we must also seek to promote the resilience of Ecosystems.

Biodiversity and resilience of Ecosystems	What is the expected impact on Biodiversity? Please place an X in the relevant box.				Why have you come to this decision? Please provide an explanation.	What actions have been/will be taken to better contribute to the maintenance and enhancement of Biodiversity? How do you know when this has been achieved?
	Maintained	Enhanced	Reduced	Neutral		
To maintain and enhance Biodiversity (and therefore promote the resilience of Ecosystems).				X	The proposals support achievement of Corporate Plan outcomes but do not specifically relate to biodiversity.	Potential to further consider when Corporate Plan is further refined.

Sources of evidence to support the above (please use this information when completing the section 'Data and Evidence'):

8. Summary

As a result of completing this IIA, please identify below;

- The number of positive, negative or neutral scores for the Council's Well-being objectives, the sustainable development principles, protected characteristics including Welsh Language and Socio-economic disadvantage.
- If consultation and/or engagement has been undertaken, is due to take place or is not required.
- If data and evidence has been used in order to inform the proposal.
- If the proposal maintains, enhances or reduces the resilience of ecosystems.

The table below should then be included in the related Council/Cabinet report.

Summary				
The main positive impacts are:	The investment proposals support the delivery of the Councils priorities within an affordable financial envelope.			
The main negative impacts are:	None identified.			

9. Actions

Based on the summary of your positive and negative impacts identified in the Summary section above, will you need to make changes to your proposal to better contribute to positive impacts and/or mitigate any negative impacts?

Please identify any further actions you will need to undertake to better inform this proposal e.g. whether further consultation is required or more data and evidence is required to better inform the proposal.

What are you going to do?	Estimated completion date	Who will be responsible?	Timelines/Milestones e.g. 6 months/over a year, etc.	Progress
Council approval	October 2021	Council	October 2021 - approval	In progress
CMT and Cabinet monitoring	On-going	CMT and Cabinet	On-going	

10. Version Control

The IIA should be used at the earliest stages of the development of the proposal and decision making process, and then honed and refined throughout to strengthen and shape the proposal. This section will act as an audit trail to evidence how the IIA has been developed over time.

Please use the table below to keep a record of this process so that we can demonstrate how we have delivered the sustainable development principles.

Version No.	Decision making stage	Date considered	Brief description of any amendments made following consideration
001	Council Approval	6 th October 2021	

11. Monitoring and Review

The implementation and the impact of the proposal should be monitored and reviewed throughout the development of the proposal.
Please identify how the proposal will be monitored and reviewed as it progresses, including the implementation of any amendments identified.

How will the implementation and the impact of the proposal and any amendments be monitored?	Quarterly budget and/or performance meetings
When will the proposal be reviewed? How frequently will this take place?	On-going
Who is responsible for monitoring and reviewing the proposal?	CMT and Cabinet
