2. Sustainable Development Principles (The Five Ways of Working)

Does your proposal demonstrate you have met the sustainable development principles (five ways of working)?

The Well-being of Future Generations (Wales) Act 2015 requires the Council to consider how any proposals improve the social, economic, environmental and cultural well-being, whilst also looking to the future, planning for the long term and ensuring that we do not compromise the ability of future generations to meet their own needs. Please consider the national well-being goals when completing this section.

Five Ways of Working	How does your proposal demonstrate you have met the five ways of working when developing the proposal?	Are there any additional actions to be taken to better contribute to the five ways of working and/or mitigate any negative impacts? How will you know when this has been achieved?
Long Term - Thinking and planning for the long term, balancing short term and long term needs.	The Director of Governance and Resources recruitment process will allow us to look at the Long term sustainability of the Council.	
Prevention - Preventing problems occurring or getting worse.	The Director of Governance and Resources recruitment process will allow us to look at the some of the governance arrangements which will help provide additional capacity to the leadership team.	
Integration - Impact on our well-being objectives, national well-being goals and the well-being objectives of other public bodies.	This role will support the Council to look at integrsted ways of achieving our strategic objectives and better outcomes for our residents.	

Collaboration - Acting in collaboration with others inside and outside the Council.	The recruitment process for the role will collaborate by using a councillor panel and working with the final panel interview members to create a robust process to find the most suitable candidate.	
Involvement - Involving people with an interest in achieving the well-being goals and who reflect the diversity of our communities.	This role will oversee key corporate functions to ensure we provide the best service to our communities.

4. Socio-economic Disadvantage (Strategic Decisions)

Does your proposal impact/deliver better outcomes for those who are experiencing socio-economic disadvantage?

The Socio-economic Duty places a responsibility on the Council to have 'due regard' to how we can reduce inequalities of outcome caused by socio-economic disadvantage when making strategic decisions. This duty gives us an opportunity to do things differently and put tackling inequality at the heart of key decision-making. Socio-economic disadvantage means living on a low income compared to others in Wales, with little or no accumulated wealth, leading to greater material deprivation, restricting the ability to access basic goods and services.

Please consider: Single parents and vulnerable families, pensioners, carers, looked after children, single adult households, armed forces community, people with low literacy/numeracy, people who are homeless, people who have experienced the asylum system, students, people of all ages leaving a care setting, people living in the most deprived areas of Wales, people misusing substances, people involved in the criminal justice system, people who are not in education, employment or training. Please see the guidance document for more information.

5. Consultation and Engagement

What consultation and/or engagement has been undertaken to inform the development of the proposal?

There may be a legal requirement to consult in some instances, or a legitimate expectation that consultation will take place. Where it has been determined that consultation is required, the Gunning Principles must be adhered to.

- The proposals are still at a formative stage.
- There is sufficient information to give 'intelligent consideration'.
- There is adequate time for consideration and response.
- 'Conscientious consideration' must be given to the consultation responses before a decision is made.

Please consider: Protected Characteristic groups, those who are experiencing socio-economic disadvantage, communities and places of interest, other stakeholders, forums, community groups and community councils. Please see the guidance document for more information.

Consultation and Engagement	Has consultation and/or engagement been undertaken on the proposal? Please place an X in the relevant box.			Briefly describe any recent or planned consultation and/or engagement exercises, paying particular attention to evidencing the Gunning Principles. Please identify when the consultation and/or engagement took place or will take place, or why it is not required.	Who was consulted/engaged with? Was sufficient information provided to allow an informed decision on the proposal to be made? What were the key findings of the consultation and/or engagement? Have these findings been taken into account? Is further consultation and/or engagement required?
	Undertaken	Due to be undertaken	Not required		
Requirement for consultation and/or engagement to be undertaken, or a legitimate expectation that it will take place.			x	There is no requirement for consultation for this proposal.	

Sources of evidence to support the above (please use this information when completing the section 'Data and Evidence'):

Council Report on Appointment of the Director of Governance and Resources.

6. Data and Evidence

What data or other evidence has been used to inform the development of the proposal?

Evidence may include the outcome of previous consultation or engagement exercises, existing databases, pilot projects, review of customer complaints and compliments and other service user feedback, national and regional data, academic publications and reports, future trends, horizon scanning, business plans etc. Consider the sources of evidence from all of the sections in your explanation.

Data and Evidence	Has data and evidence been used in order to inform the proposal? Please place an X in the relevant box.		What data or other evidence has been used to inform the development of the proposal? What have been the key findings of this data and evidence? Has this data and evidence helped to inform the proposal?	How has the data and evidence helped to inform the proposal? If the data and evidence did not support the proposal, why was this? Have there been any gaps identified? If so, what steps will be taken to cover the identified gaps?
	Yes	No		
Data and evidence used in order to inform the proposal.		x	There is no requirement to use data for this proposal.	

Sources of evidence to support the above:

Council Report on Appointment of the Director of Governance and Resources.

7. Biodiversity and resilience of Ecosystems

How does your proposal impact on Biodiversity and therefore the resilience of Ecosystems?

Under Section 6 of the Environment (Wales) Act 2016 we must seek to maintain and enhance Biodiversity within the proper exercise of our functions. In doing so, we must also seek to promote the resilience of Ecosystems.

Biodiversity and resilience of Ecosystems	What is the expected impact on Biodiversity? Please place an X in the relevant box.				Why have you come to this decision? Please provide an explanation.	What actions have been/will be taken to better contribute to the maintenance and enhancement of Biodiversity? How do you know when this has been achieved?

Summary				
The main positive impacts are:	By having a clear, open and transparent recruitment process for the Director of Governance and Resources, focus has been placed on ensuring our governance is strengthened to continuously improve and that we are effective, efficient and economic, all leading to the long-term sustainability of the Council.			
The main negative impacts are:	No negative impacts have been identified.			

9. Actions

Based on the summary of your positive and negative impacts identified in the Summary section above, will you need to make changes to your proposal to better contribute to positive impacts and/or mitigate any negative impacts?

Please identify any further actions you will need to undertake to better inform this proposal e.g. whether further consultation is required or more data and evidence is required to better inform the proposal.

What are you going to do?	Estimated completion date	Who will be responsible?	Timelines/Milestones e.g. 6 months/over a year, etc.	Progress

10. Version Control

The IIA should be used at the earliest stages of the development of the proposal and decision making process, and then honed and refined throughout to strengthen and shape the proposal. This section will act as an audit trail to evidence how the IIA has been developed over time.

Please use the table below to keep a record of this process so that we can demonstrate how we have delivered the sustainable development principles.

Version No.	Decision making stage	Date considered	Brief description of any amendments made following consideration

11. Monitoring and Review

The implementation and the impact of the proposal should be monitored and reviewed throughout the development of the proposal.

Please identify how the proposal will be monitored and reviewed as it progresses, including the implementation of any amendments identified.

How will the implementation and the impact of the proposal and any amendments be monitored?	By consultation with CMT, Cabinet and Council on the outcome of the recruitment process.
When will the proposal be reviewed? How frequently will this take place?	End of March 2022 – at the end of the recruitment process.
