

# Merthyr Tydfil County Borough Council - Integrated Impact Assessment

(Includes Well-being of Future Generations, Protected Characteristics, Welsh Language, Socio-economic Disadvantage, Sustainability and Biodiversity, Consultation/Engagement and Data/Evidence)

Before completing this Integrated Impact Assessment (IIA), please refer to the corresponding **guidance document**, which provides essential background information.

An IIA MUST be completed for:

- Any Council / Cabinet report.
- Any strategic decisions being taken where due regard is required to reduce inequalities of outcome resulting from socio-economic disadvantage.
- Any project (i.e. something that has a start and end date and is different from day to day business).
- Where you are implementing significant change e.g. service provision.

This IIA helps to support the Council in making informed and effective decisions whilst ensuring compliance with a range of relevant legislation. This IIA must be completed at the start of any project or proposal.

#### 4. Socio-economic Disadvantage (Strategic Decisions)

##### Does your proposal impact/deliver better outcomes for those who are experiencing socio-economic disadvantage?

The Socio-economic Duty places a responsibility on the Council to have 'due regard' to how we can reduce inequalities of outcome caused by socio-economic disadvantage when making strategic decisions. This duty gives us an opportunity to do things differently and put tackling inequality at the heart of key decision-making. Socio-economic disadvantage means living on a low income compared to others in Wales, with little or no accumulated wealth, leading to greater material deprivation, restricting the ability to access basic goods and services.

Please consider: Single parents and vulnerable families, pensioners, carers, looked after children, single adult households, armed forces community, people with low literacy/numeracy, people who are homeless, people who have experienced the asylum system, students, people of all ages leaving a care setting, people living in the most deprived areas of Wales, people misusing substances, people involved in the criminal justice system, people who are not in education, employment or training. Please see the guidance document for more information.

## 5. Consultation and Engagement

### What consultation and/or engagement has been undertaken to inform the development of the proposal?

There may be a legal requirement to consult in some instances, or a legitimate expectation that consultation will take place. Where it has been determined that consultation is required, the Gunning Principles must be adhered to.

- The proposals are still at a formative stage.
- There is sufficient information to give 'intelligent consideration'.
- There is adequate time for consideration and response.
- 'Conscientious consideration' must be given to the consultation responses before a decision is made.

Please consider: Protected Characteristic groups, those who are experiencing socio-economic disadvantage, communities and places of interest, other stakeholders, forums, community groups and community councils. Please see the guidance document for more information.

Consultation and Engagement	Has consultation and/or engagement been undertaken on the proposal? Please place an X in the relevant box.			Briefly describe any recent or planned consultation and/or engagement exercises, paying particular attention to evidencing the Gunning Principles. Please identify when the consultation and/or engagement took place or will take place, or why it is not required.	Who was consulted/engaged with? Was sufficient information provided to allow an informed decision on the proposal to be made? What were the key findings of the consultation and/or engagement? Have these findings been taken into account? Is further consultation and/or engagement required?
	Undertaken	Due to be undertaken	Not required		
Requirement for consultation and/or engagement to be undertaken, or a legitimate expectation that it will take place.			X		

Sources of evidence to support the above (please use this information when completing the section 'Data and Evidence'):

**6. Data and Evidence**

**What data or other evidence has been used to inform the development of the proposal?**

Evidence may include the outcome of previous consultation or engagement exercises, existing databases, pilot projects, review of customer complaints and compliments and other service user feedback, national and regional data, academic publications and reports, future trends, horizon scanning, business plans etc. Consider the sources of evidence from all of the sections in your explanation.

Data and Evidence	Has data and evidence been used in order to inform the proposal? Please place an X in the relevant box.		What data or other evidence has been used to inform the development of the proposal? What have been the key findings of this data and evidence? Has this data and evidence helped to inform the proposal?	How has the data and evidence helped to inform the proposal? If the data and evidence did not support the proposal, why was this? Have there been any gaps identified? If so, what steps will be taken to cover the identified gaps?
	Yes	No		
Data and evidence used in order to inform the proposal.	X		Pay data extracted from the payroll system from pay run 770 (1 <sup>st</sup> March 2021 – 31 <sup>st</sup> March 2021).	

**Sources of evidence to support the above:**

**7. Biodiversity and resilience of Ecosystems**

**How does your proposal impact on Biodiversity and therefore the resilience of Ecosystems?**

Under Section 6 of the Environment (Wales) Act 2016 we must seek to maintain and enhance Biodiversity within the proper exercise of our functions. In doing so, we must also seek to promote the resilience of Ecosystems.

Biodiversity and resilience of Ecosystems	What is the expected impact on Biodiversity? Please place an X in the relevant box.				Why have you come to this decision? Please provide an explanation.	What actions have been/will be taken to better contribute to the maintenance and enhancement of Biodiversity? How do you know when this has been achieved?
	Maintained	Enhanced	Reduced	Neutral		
To maintain and enhance Biodiversity (and therefore promote the resilience of Ecosystems).				X	Not applicable.
