#### Additional Items for Consideration

- **Consider Food Waste in Schools – item to be added to the next FWP – to look at the is a Workshop setting (agreed 5/12/22 Scrutiny)**
- Pupil Referral Unit (PRU) Inspection Feedback – (Inspection Report due end of Nov 2022) this item will be added to the Scrutiny Forward Work Programme (FWP) when further information is received.
- **Joint workshop with Members of the Social Services Scrutiny, or potentially with all Scrutiny Members in relation to Wellbeing and Standards with specific links to the poverty agenda – opportunity to look at this in a workshop.**
- Central South Consortia (CSC) Challenge framework: Chair and Vice Chair of Scrutiny to meet with their equivalents across all of CSC to explore how they are holding CSC to account. This can be used to inform this work going forward.
- **Tertiary Education: Potential to meet with Board of Directors of the College of Merthyr Tydfil to get an understanding of the work that is ongoing and the trends around transition, post education etc. Also, an opportunity to explore how scrutiny may be able to add value through robust challenge and engagement. This could be facilitated through an ‘Inquiry Day’.**
- Whole school approach: Cross-cutting theme which links to our Living Well Objective, Children and Adolescent Mental Health Service (CAHMS), wellbeing, school transport etc. (this could be a proposal to the Social Services Chair).
- Raising Aspirations Raising Strategy (RARS): To be added to Work Programme for next year – need another year of implementation to determine its effectiveness of delivery; additional time is also needed in order to evaluate the impact of objectives set out in the RARS. Critical Friend challenge addressing the ‘so what’ element of the RARS Strategy.
- Hold a series of workshops with Members from other scrutiny areas regarding self-evaluation under the corporate framework (linking into the Business Improvement Plans).
